DECCO

Railroad Ties

Nosotros

DECCO is the leading company in Latin America in the production of wooden railway ties.

We are suppliers to all railroads and track contractors in Mexico, with more than 20 years of experience exporting to railroads, mines, and various industries in the United States, Central America, and South America.

- › **FENOCO (COLOMBIA)**
- › **SOUTHERN PERÚ COPPER CORPORATION (PERÚ)**
- › **PROYECTOS DE INGENIERÍA Y SUMINISTROS (COSTA RICA)**

Sustainability

Trees absorb carbon dioxide (CO₂) from the atmosphere and store it as biomass. This process helps reduce greenhouse gases, which are the main cause of global warming.
